

# Baby Girl

Written & Illustrated by Maria Lai

# Baby Girl

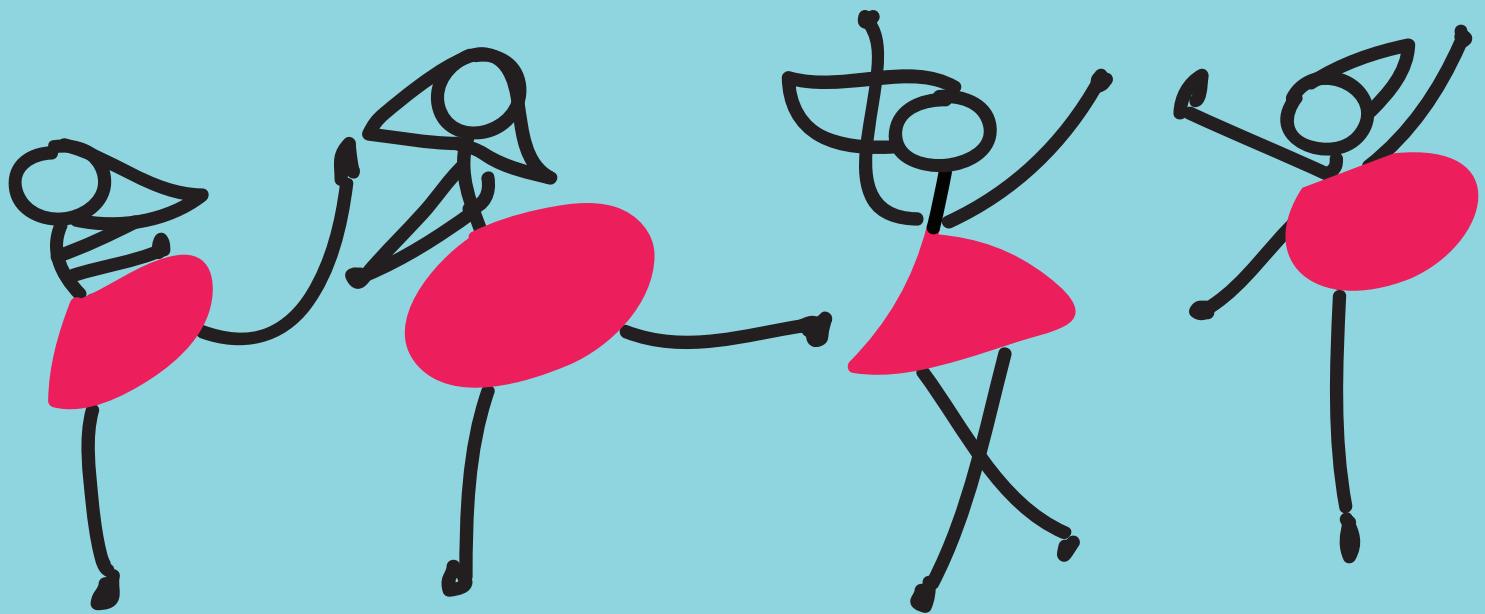

Loves to dance

She twirls around.

A large, bright white circle representing the moon is positioned in the upper left corner of the image. Several smaller, white star-like shapes are scattered across the dark blue background, with some appearing to have light rays emanating from them.

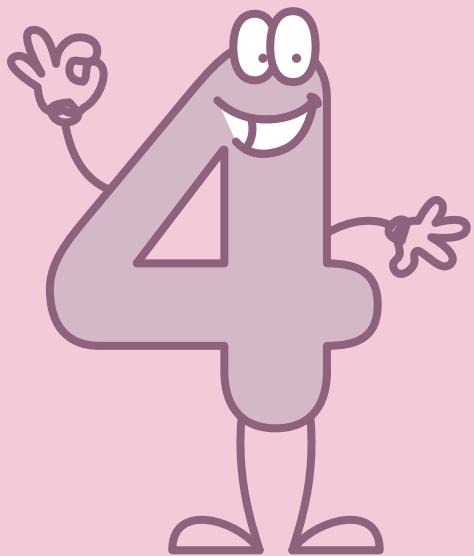

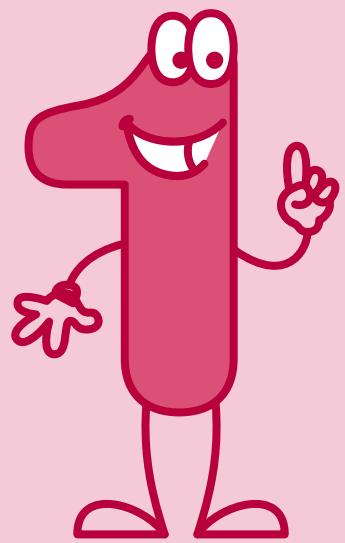

Fireflies gather.  
The moon watches.

# Baby Girl

Loves to sing.

Wind stops blowing.  
The birds chirp.

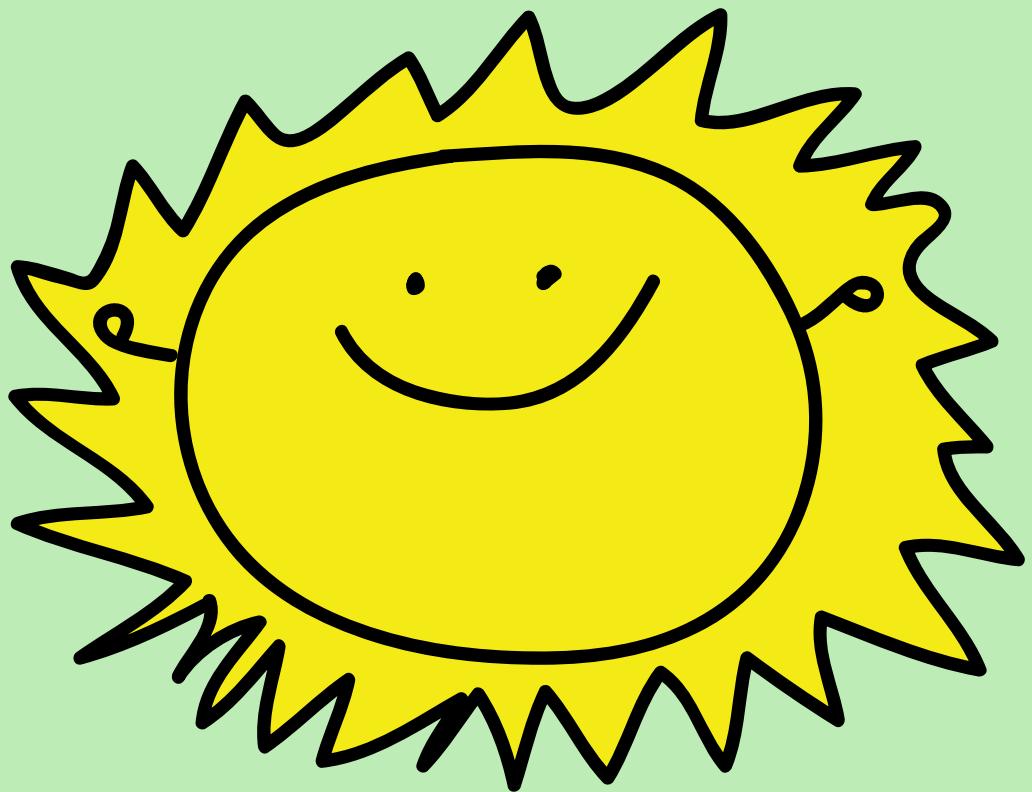

# Baby Girl

Loves to laugh.

Could brighten  
up a gloomy day.

All things smile.  
Sunshine fills the world.
